

Delivering the difference

"We can say that you offered a service that we need with a quality beyond expectations"

Ionut Bastea - IT Manager, Casa Ana

Profile

Casa Ana is an accommodation business located in the ski resort of Predeal, in Romania, Eastern Europe.

The business is one of the most respectable in the resort, providing quality services for their guests such as an restaurant, bar and non-stop minimarket.

Understanding the issues

Given the high competition in Predeal, the internet became crucial for the growth and sustainability of the business. As long as the website is online, there is business. "You came up with your own suggestions and very timely about implementing solutions." says Ionut Bastea, IT Manager.

Integrating the technology

Casa Ana choose Mugurel to provide support for their growth, as technology constantly evolves and there is simply no time to cope with all the required actions without jeopardizing their business.
